

# HUSKY SPORT & PBIS AT WISH – 2016-2017

## PBIS Alignment

Husky Sport's efforts in Positive Behavioral Interventions and Supports (PBIS) have all been centered on aligning with our Wish School partner. We have adopted the Wish School High Five Rules to be used as behaviors to highlight in all five of our school time programs. In our programs that work with K-6 students, we use the Wish School golden tickets to reward students for these expected behaviors.

### High Five Rules:

1. Be Respectful
2. Be Responsible
3. Hands & Feet to Self
4. Be There, Be Ready
5. Follow Directions

At the end of each program visit, we hold a raffle using all of the golden tickets written for each class during that week's visit(s). The winner of the week then receives an incentive, which differs for each program.

- In *Ready, Set Read!*, Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grade students are rewarded with Lunch Bunch – special time eating lunch, reading books, and completing artwork in the Husky Sport classroom.
- In *Husky Growth*, 3<sup>rd</sup> – 4<sup>th</sup> grade students are rewarded with a physical activity challenge related to the cycle theme. Raffle winners get their pictures and scores posted in the Husky Sport classroom until the cycle is complete.
- In *Husky Move*, 5<sup>th</sup> & 6<sup>th</sup> grade students are rewarded with prizes that have included drawstring bags, t-shirts, folders, and UConn Athletics posters.

Husky Sport supports school-wide PBIS engagement through twice-weekly morning recesses. Full classes are recognized for displaying the High Five Rules in the cafeteria and each week the two most recognized are rewarded with Husky Sport recesses.

## Husky Sport & Wish School Store

To help support school-wide PBIS, in January Husky Sport was asked by school leadership to run the Wish School Store. The request came with a few specifications including having adults available to run the store, having scheduled openings, and advanced notification to students and teachers about “store hours.” Husky Sport took that information, as well as photos of school store items, and opened the store for business with a consistent schedule, store catalog, an electronic ticket tracking system additional class-wide options that whole classes could cash in on.
